## International

### BOOKING DETAILS

<b>Entry:</b> Sat, 23 Jan 2016 at 11AM	<b>Invoice Date:</b> 19/12/2015
<b>Exit:</b> Sat, 23 Jan 2016 at 1PM	<b>Customer:</b> IMRANKHAN MOHAMMED
<b>Duration:</b> 2 hours	<b>Car Park:</b> International
<b>Product:</b> P7	<b>License Plate Number:</b> CYN85X
<b>Status:</b> Confirmed	<b>Card Ending:</b> ...818
<b>Price:</b> \$ 15.00	

### What to do next

1. Print your booking receipt to take with you to the car park, **OR** remember to take the credit card you nominated to use for entry (ending in number 818) with you on the day of your booking. You must only use the nominated credit card; inserting any other card will not recognise your booking and you will be charged again at exit.
2. Drive to the International Car Park via either Marsh St, Qantas Drive, Cooks River Drive or Departures Rd on **Sat, 23 Jan 2016 at 11AM**.
3. At the entry gate, do not press the button for a ticket. Instead, either scan the QR code printed in the top right hand corner of your receipt by holding the receipt a few centimetres from the QR code scanner (not flat up against it), **OR** insert your nominated credit card.
4. Take the ticket automatically generated which you will need to insert at the exit gate when you return to the car park. Proceed in to the P7 multi-storey car park structure to park.

### Instructions

#### What you must do at the Entry Gates

To use your pre-paid parking booking you must identify your booking at the entry gate by either scanning the QR code on your printed booking receipt, or by inserting the credit card that you nominated to use for entry. A pre-paid ticket will be generated which you must take and insert at the exit gate when you return. If you fail to identify your booking at the entry gate, you will be charged again for your parking stay at standard car park rates. If you have any problems identifying your booking, press the Help button at the entry gate and our staff will assist you.

#### Exit Instructions

After returning to your car proceed to the exit gate and insert your ticket. Note, if you have overstayed your prepaid booking period you will be asked for additional payment at the exit gate and payment can be made by credit card only. If you have overstayed your booking and need to pay cash, please visit a pay station inside the P7 multi-storey car park before returning to your vehicle.

#### Changes, Cancellations & Refunds

To change or cancel your booking, you must log in to your Sydney Airport Online Booking account using the email address and password used to make the booking. If you do not have a Sydney Airport Online Booking account, you can cancel your booking by accessing <https://prebook.sydneyairport.com.au/> and clicking 'Manage My Bookings'. **CHANGES AND CANCELLATIONS CANNOT BE PROCESSED OVER THE PHONE OR VIA EMAIL.** You can change a car park booking at any time up to 6 hours before your booked time of entry into the car park. Cancellation of your booking is possible up until 24 hours prior to the commencement of the booking period. If you cancel with at least 24 hour notice, then you will receive the refund applicable in the T&Cs of your chosen parking product. Instructions to help you with this are available at <http://www.sydneyairport.com.au/go/car-parking/faqs.aspx>.

#### Full Terms & Conditions

For full terms and conditions that apply to your online booking and for conditions of entry into the car park, please visit our website at [www.sydneyairport.com.au](http://www.sydneyairport.com.au). Please note that these terms incorporate the conditions posted on the rate boards, located at the entrance to the car park. By making an online booking you have accepted these terms and conditions.

**Height Restrictions**

Within the P7 multi-storey building height limit is 2.2 metres. Please verify that your vehicle meets the restrictions. You are not entitled to a refund if your vehicle exceeds our size and height restrictions.
